### **The Hub Cycling Shares the Holiday Spirit with FBH KidsZone Students at Longstreet Elementary**

The Hub Cycling celebrated Bike Shop Day on Saturday, December 7<sup>th</sup>. This is a movement for local bike shops across the country to give back to the communities they serve!

Once again this year, The Hub Cycling partnered with Food Brings Hope to sponsor children in our communities to be sure they can have a Happy Christmas! The recipient school of this generosity was Longstreet Elementary. From December 7<sup>th</sup> to the 14<sup>th</sup>, The Hub Cycling invited customers and the community to donate toys for Longstreet's KidsZone program.

This morning, owner Kristi Bodnaruk, delivered the toys to Longstreet Elementary. The toys were distributed during the KidsZone holiday party on Tuesday, December 16.

Food Brings Hope is grateful for local business such as The Hub Cycling for their ongoing support of our organization. They not only donate toys but also donate refurbished bikes on a monthly basis. Their generosity has a huge impact on FBH students.
